## Hunt in South Africa:

In South Africa, safaris can be conducted throughout the year; however the best time for a safari is between April & October.

Some 40 different species of game can be hunted across the country, but each safari is individually planned to give you maximum enjoyment & satisfaction.

The safari is suitable for the whole family, for non-hunters; there are a variety of interesting, photographic tours.

All wildlife species listed in the price list are hunted on farmland / hunting areas around the lodge.

## LIMPOPO

### Limpopo

The area of our partner Wayne Wagner Safaris is located in Hoedspruit Limpopo Province and is situated between Phalaborwa, Gravelotte and Mica on the Olifants River.

### Accommodation for Limpopo & Games Reserves

To be sure that the safari meets with your specific requirements a questionnaire will be completed before your arrival with your personal details, species to be hunted, food preferences and accommodation requirements.

## Prices 2017

**Recommended Equipment :** South Africa can be warm to hot during the months of April, May, September and October (65f - 85f). The months of June, July and August are winter and can start with night temp's dropping to below zero, warming up to around the mid 60f or 70f by midday.

#### CLOTHING

Daily laundry service is provided so large quantities of clothing are not necessary. Comfortable clothing is recommended for daytime hunting, shorts or long pants can be worn. A comfortable pair of hiking boots is recommended but not essential, sneakers will be more than adequate if preferred. Evening wear is informal and anything of comfort can be worn. A heavy jacket or insulated coveralls are recommended, especially months June through August.

#### Please Note:

Military type cammo is not permitted in most African countries, but Realtree types are normally accepted. Laundry is done each day except for the days when you change camp and the day of departure.

#### Entry requirements

Please note the entry requirements for the respective country. Information can be obtained at the responsible consulate. In case a visa is needed, please be advised, that the acquisition is your own responsibility.

#### Vaccination requirements:

Please note the vaccination requirements for the respective country. Information can be obtained at the responsible tropical institute. In case a vaccination is needed, please be advised, that the adherence is your own responsibility.
