Bird hunting South Africa

Bird hunting with our partner Bird Hunters Africa. Ducks, Geese, Dove, Pigeon, Guineafowl & Francolin are all shot during each safari & within close distance to the Lodge. This is not a hot barrel hunt, but good steady shootings the order of the day. This combined with the variety makes this an excellent safari.

Area Baynesfield:

Baynesfield is close to Durban and has to be one of the most picturesque areas in South Africa to shoot birds in. We have 4 cabins here overlooking a trout lake on a 25000 acre Estate. Baynesfield is our main goose shooting area. Along with Geese the area also has excellent Red eyed doves (Doves the size of pigeons), Red Necked Spurfowl and Duck.

Bloemfontein - this is one of the South Africa's main Sunflower growing areas and the Pigeons are found here in their thousands. Mostly; they offer highly challenging past shooting. Our most common package includes all these areas with a break in the middle at a 5 Star Game Reserve.

Baynesfield camp

Area Dundee:

The areas are situated in the farming district of Dundee, Northern KwaZulu Natal. This is a grain-growing area & consequently we have an excellent variety of game birds & waterfowl.
