## OUR PARTNER AUSTRALIAN BUFFALO HUNTERS

Have a great team of professional hunters, to guide you on the best hunting in Australia. Correct Police Licensed outfitter and Licensed guides, will large NLC licensed concessions. Honest, ethical and professional, resulting in us being one of Australia's longest term operators. Every buffalo hunt can be very different, our product is classic old style hunting safaris, a basic canvas tented camp, and a true Adventure.

The Arnhem Land Wilderness is like another country, situated well east of the tropical city of Darwin. Aboriginal owned Arnhem Land is almost 100,000 sq km of bush country (36,000 sq miles)... the size of Hungary or Portugal! It is a place where time stands still, no farms, no fences, no sealed roads.

Your adventure will take a rare journey to flood plains, wild bush, escarpment country, scenic rivers, streams and

springs. Arnhem Land is one of the world's last frontiers. Our Buffalo concession is 80x120km in size, with large herds of GENUINE free range wild Water Buffalo, also some Wild Ox (Scrub Bull) and occasional Wild Boar.

We also have a Northwest Arnhem Land concession for Banteng, also dangerous game. Real hunters will enjoy exploring and hunting on foot with your classic double rifle or big game bolt action rifle.

### **DANGEROUS GAME:**

In 24 years, we have stopped over 20 charges of Water Buffalo, Scrub bull and Banteng. These Asiatic water buffalo bulls weigh 700 to 900 kg and even up to 1000 kg. Water Buffalo can be just as tough and nasty as Cape Buffalo if wounded or cornered. This is our life, genuine exciting Buffalo hunting.
