## OUR PARTNER AUSTRALIAN BUFFALO HUNTERS

Have a great team of professional hunters, to guide you on the best hunting in Australia. Correct Police Licensed outfitter and Licensed guides, will large NLC licensed concessions. Honest, ethical and professional, resulting in us being one of Australia's longest term operators. Every buffalo hunt can be very different, our product is classic old style hunting safaris, a basic canvas tented camp, and a true Adventure.

The Arnhem Land Wilderness is like another country, situated well east of the tropical city of Darwin. Aboriginal owned Arnhem Land is almost 100,000 sq km of bush country (36,000 sq miles)... the size of Hungary or Portugal! It is a place where time stands still, no farms, no fences, no sealed roads.

Your adventure will take a rare journey to flood plains, wild bush, escarpment country, scenic rivers, streams and

springs. Arnhem Land is one of the worlds last frontiers. Our Buffalo concession is 80x120km in size, with large herds of GENUINE free range wild Water Buffalo, also some Wild Ox (Scrub Bull) and occasional Wild Boar.

We also have a North West Arnhem Land concession for Banteng, also dangerous game. Real hunters will enjoy exploring and hunting on foot with your classic double rifle or big game bolt action rifle.

### DANGEROUS GAME:

In 24 years, we have stopped over 20 charges of Water Buffalo, Scrub bull and Banteng. These Asiatic water buffalo bulls weigh 700 to 900 kg and even up to 1000 kg. Water Buffalo can be just as tough and nasty as Cape Buffalo if wounded or cornered. This is our life, genuine exciting Buffalo hunting.

# GENERAL TRAVEL INFORMATION

## CURRENCY

1 Australian Dollar (\$A) = 100 cents (c)

## TIME DIFFERENCE

MEZ +9 h (East Coast), MEZ +7 h (West Coast).

There may be alterations due to the different summertime!

## CLIMATE

There is a six-month difference in seasons compared to Europe. Their winter happens during European summer and vice versa. As the continent is so large, it has several climate zones. In the south and the southwest of the country the climate is moderate, there is a subtropical ridge in the east, while the northernmost part of the country is tropical. Inland Australia is hot and dry. The northern Australian monsoon season lasts from December to March. It snows in the southern mountain regions in winter.

**TIP:** Due to the solar UV intensity here (due to the hole in the ozone layer), you should use adequate sun protection, even if the temperatures are moderate, you are in the shade or the weather is overcast.

# RECOMMENDED EQUIPMENT

## Footwear:

2 pairs of comfortable lightweight hiking boots or trekking shoes. „You need to be removed in advance and cozy“.  
Since the temperature is hot and uneven cystics are often a problem and make the execution of hunting painful.  
Boots should be an ankle support and breathability.  
NOTE: High leather boots are not suitable for hot weather.

## Clothes:

We recommend light khaki or green cotton clothing for the hot climate.

Short sleeve shirts and shorts

Some hunters prefer thin long sleeve shirts and long pants

Camouflage is a big advantage

## Example 7–10 days list:

7× Shirts

5× Shorts/trousers

7× Underwear

7× Socks

Pajamas

Thin jacket

Sweater

Big hat

2× Pairs of boots for hunting / 1x pair of sneakers or sandals for the camp

Toiletries (razor), sewing kit

Sunscreens

Insect repellent, insect pen

Personal medications

Small first aid kit

Backpack

Water bottle

Flashlight, extra batteries

Hunting knife

Binoculars

Sunglasses, spare glasses

Comfortable On arrival, casual clothes
