HUNTING AREA REITH / SEEFELD

The hunting grounds of our Partner Marcati Hotels & More are located between 1,200 and 3,000 meters above sea level.

The hunting ground Reith is located directly adjacent to Seefeld. In this very well accessible area, it is possible to hunt red deer, roe deer and chamois and there are sufficient hunting boxes available. The hunt does not require long marches and is therefore optimally suited for elderly guests.

Reith is a municipality with over 1,000 inhabitants in the district Innsbruck Land in Tyrol (Austria). The small town is situated at the foot of the 2,374 meters high Reither Spitze at the southern edge of the Seefelder Plateau, above the Inntal, from where a road leads over the Zirler Berg. The municipal area includes the villages Auland, Gschwandt, Krinz, Leithen, Mühlberg and the Haufendorf Reith.
