HUNT IN CZ

The hunting ground is 2,300 ha in size, open game.

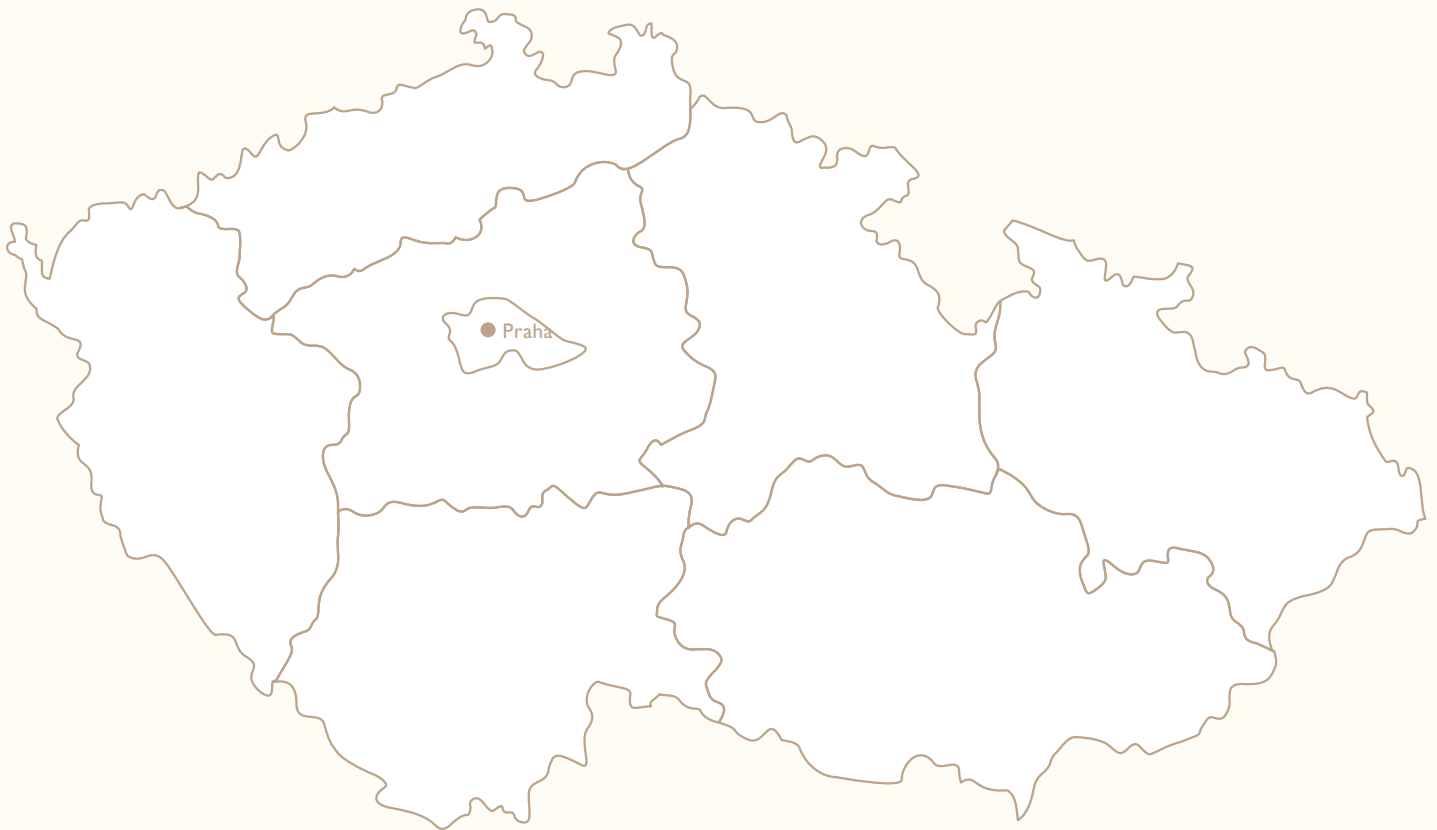

The Hotel Anton - www.hotel-anton.cz is located approx. 10 minutes from the hunting ground.

Meals (lunch and dinner are paid for directly at the hotel).

The hotel is located right next to the castle park, in the immediate vicinity of the historical center of Telc, a town that has been inscribed on the UNESCO World Heritage List since 1992.

There is a central parking lot nearby, off the city ring road, which is connected to the Ceske Budejovice - Brno highway. You can either drive to the hunting ground in your own car or the professional hunter will pick you up directly at the hotel (EUR 0.50 per km)

The game stands are 100% free game. Hunting, nature and game come together to create an unforgettable hunting experience.
