Hunt in Corsica South

Hunt with our Partner **"Domaine de Chasse de l'Ortolo – Murtoli"**.

A treasure chest protecting a jewel: the Domaine de l'Ortolo offer 2500 hectares of preserved nature in the southern tip of Corsica. This unspoiled site gives everything you could expect with such diverse, plentiful and fascinating hunts of small, large, feathered and haired game, "in front", driven, from ha hide, in the fragrant scrubland, along the river in the valley or across the sand dunes. Within a group, a small team or by him, the hunter will enjoy an incredible hunting spot with his own dog or those provided by the domain.

When evening comes, facing the fire, charmed by the songs and the guitars, the man won't make the difference between the dream and the reality ...
