ESTONIA

Information:

Climate:	The climate of Estonia is similar to that of Scandinavia. It can be characterized as cool temperate with long, crisp cold winters and short, moderately warm summers. The climate in the north and west of Estonia is milder due to the influence of the Baltic Sea, while it becomes more continental towards the south and southeast.
Insurance:	The conclusion of a travel insurance for the case of illness and patient transport is recommended.
Equipment list:	<ul style="list-style-type: none">1 pair of good waterproof warm shoes (well broken in)1 hunting jacket, preferably made of Gore-TexHat and warm cap with ear protection2 pairs of warm gloves (Gore-Tex)1 pair of hut shoes or sneakers (for the camp)light rainwear2 pairs of durable warm long pantswarm socks, warm underwear, warm sweaterscomfortable shirts or T-shirtsWashing thingspersonal medication, own small first aid kitFlashlight and spare batteriesPhoto equipment, or film equipment, sufficient film (or digital camera) & batteries, etc.light binoculars (8x30 or 10x40) for game viewingBackpack (light and silent for the daily game drives)light seat cushionTarget stick (dismountable), if you are used to itDuffel bags are better suited for transport than suitcasesHunting rifle with scope and matching rifle casePassport, European Firearms Pass (EFP), hunting and firearms license, driver's license, credit card, travellers cheques, airline tickets, etc.
