# ACCOMMODATION AND SURROUNDINGS

The hunting area starts directly from the lodge, extending over 43,000 hectares. The focus is on stalking Oryx, Mountain Zebra, Springbok, Black Wildebeest, Blue Wildebeest, Impala and Warthog.

Transfer from Windhoek airport to the lodge is about two hours. The Sney Rivier Lodge is an ideal destination that meets the highest standards, both for hunters and their family and guests. The lodge is harmoniously integrated into the landscape, the lodge also supplies all the amenities that contribute to a relaxing dream vacation.

On the professionally equipped shooting range, you can shoot at targets with distances of up to 400m. Modern hunting weapons are available to hire at the Lodge as requested. In addition, guests can use our clay range with their own guns (F3).

As a highlight we offer our guests a memorable „sundowner“ on Mount Sney Rivier and a visit to the „hot springs“.

## SNEY RIVIER LODGE

Sney Rivier Lodge, built in 2009, offers beautiful luxury and convenience in unparalleled ambiance. Five chalets located near the main building accommodate a maximum of ten guests, and a quiet and relaxed atmosphere is guaranteed.

# GENERAL HUNTING INFORMATION

## **ADDITIONAL COSTS:**

Cost of a permit for Leopard € 550,- and cheetah € 350,-

These costs are non-refundable, whether shot or not, and even in the wake of a renewed application must be paid.

## **WOUNDED ANIMAL:**

A wounded animal is considered to be shot and will be charged for.

## **PERMITS:**

To offer our guests a successful hunt for strong trophies, and to maintain the ecosystem we can only issue a limited number of permits. We ask you to consider this when booking and announce your desired trophies in advance.

For Leopard, Cheetah and Rhino CITES documents must be requested. For that, we need a color copy of your valid passport, and current home address. This needs to be done at least 4 weeks prior to your trip!

Permits for Leopard and Cheetah are only valid during the booked hunting season of the Named guest – Permits can't be moved / transferred to a different date. These permits should be applied for again in the case of a new hunt even in the same year.
