ACCOMMODATION AND SURROUNDINGS

The hunting area starts directly from the lodge, extending over 43,000 hectares. The focus is on stalking Oryx, Mountain Zebra, Springbok, Black Wildebeest, Blue Wildebeest, Impala and Warthog.

Transfer from Windhoek airport to the lodge is about two hours. The Sney Rivier Lodge is an ideal destination that meets the highest standards, both for hunters and their family and guests. The Lodge is harmoniously integrated into the landscape, the lodge also supplies all the amenities that contribute to a relaxing dream vacation.

On the professionally equipped shooting range, you can shoot at targets with distances of up to 400m. Modern hunting weapons are available to hire at the Lodge as requested. In addition, guests can use our clay range with their own guns (F3).

As a highlight we offer our guests a memorable „sundowner“ on Mount Sney Rivier and a visit to the „hot springs“.
