

# SCOTLAND NOVAR ESTATE 2024

STALKING  
RAISED HIDES

**Blaser**  
s a f a r i s

Novar Estate was once described as a “barren and treeless place”. Three hundred years later and under the stewardship of the same family, it is a thriving Highland estate extending to 20,000 acres and including farmland, forestry, hill, shooting, fishing and most recently alternative energy enterprises.

## HUNT

Scotland's deer stalking is world renowned – providing four of the six species of deer; Red, Roe, Sika and Fallow.

DSL are able to provide access to some of the finest examples of Red Stag Hunting in Scotland. The local habitat is ideally suited to this species and provides our guests with a handsome trophy opportunity combined with a traditional stalking & hunting experience.

Direct Sporting Lets provide some of the very finest accommodation and hunting packages in Scotland.

All of the sporting estates used by DSL for deer stalking & hunting are professionally managed by experienced Highland Gamekeepers and Stalkers whose local knowledge of the area and the wildlife is second to none.

On arrival at the estate our staff will welcome you and ensure you have everything you need after your journey.

Once we assess your shooting ability, our Gamekeepers will accompany you each day and help you select your target in the traditional way, by selecting an older or poorer condition stag.

**TRAVEL:** Flight to Edinburgh, Inverness or Aberdeen and from here with a rental car to Novar Estate.
